Great response to Stage 8

big BLOCK
RELEASE

Only 9 lots left!

If you're looking for room to grow then visit Greenwood Estate at Cashmere – the only estate north of the Brisbane River with 1250m² blocks. Not only are the blocks large, but they represent the best value per square metre for large lot residential land on Brisbane's north side.

Surrounded by native bush, lush parklands and located on rolling hillsides, Greenwood has grown into a beautiful neighbourhood environment.

Make the decision and join an established neighbourhood of prestige, largely architect designed homes on big blocks with wide frontages, only 20 klm from the city.

Act Now to secure one of the few remaining builder friendly 1250m² blocks from \$280,000 (Av Price only \$295,000).

Stage 10 Construction Start Prompted by Stage 8 Sales Success

Delighted with the positive sales response experienced with Stage 8, developer WM Projects moved immediately and commenced construction of the 19 lot Stage 10, which features lots ranging in size from 1250m² up to 1745m². Bill Madders of WM Projects said "While stage 10 is smaller in terms of number of blocks, it will also feature blocks adjoining environmental reserve and overlooking tree canopy. It will be a special stage, with interest already being expressed for a limited number of display homes."

Stage 10 is due for release later in the year. Buyers are encouraged to register expressions of interest at the Sales Display Office.

Start Planning Now – Visit Greenwood this weekend. Only 20 klms from the City.
