POSITIVE RESPONSE TO EXCLUSIVE STAGE 8B RELEASE

The exclusive Stage 8B release in late November was an opportunity for those registered buyers who missed out on Stage 8A, to choose their preferred blocks. Expressions of Interest along with deposits of \$5,000 each were signed on 12 lots. The Stage 8B development works are progressing well despite the recent wild weather.

The balance of Stage 8B is planned for release in the New Year.

MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR

The Sales Display Home will be closed from 18 December until 10 January 09.

FIRST HOME IN STAGE 8 NOW UNDER CONSTRUCTION

Local builder Donbar Constructions has begun construction of the first home in Stage 8. Builder Bart Phillips said "we are delighted to again be building at Greenwoods.

This will be our 12th home in Greenwoods, which we think is ideally suited to this contemporary community of family homes – a 4 bedroom home built in the same style as the Greenwoods Sales Display Home."

This new Donbar home on lot 112 is available now for purchase with completion scheduled for February 09.

GOODBYE GREG

Long time estate manager Greg Smith has decided to take some time out after many years as the 'face' of Greenwoods Estate to enjoy more time with his family.

Greg has seen the Greenwoods community grow and prosper over the years into a highly desirable neighbourhood – we wish him well.
