EXPRESSIONS OF INTEREST SEE STAGE 8A SOLD OUT ON DAY OF RELEASE

Unprecedented interest on the part of prospective buyers was clearly evident Saturday 31 May with some buyers 'lining up' 48 hours prior to the 8am release. Expressions of Interest and deposits were lodged with all available lots sold out on the day.

Developer Bill Madders said "It is obvious our strategy of offering competitively priced big blocks in a quality residential environment has enjoyed a very positive response from buyers. Particularly considering the amount of interest registered in our next release." This sustained demand for 1250m2 lots at Greenwoods continues to prove the popularity of the Greenwoods development strategy.

WM Projects expect to receive final engineering approvals for Stage 8 either later this month or early July. This will allow the immediate commencement of earth works enabling settlement of Stage 8 lots, ideally in November after all works and registration of titles.

Successful buyers in Stage 8A can look forward to securing their lots with final contract preparation anticipated end June /early July once final engineering approvals are received.

STAGE 8A SOLD OUT ON THE DAY!
